

## **New Language Assistant Possibility!**

***Are you looking for a chance to teach in England for a year starting in September 2019?***

***Here's what you can expect.....***

### **Rugby School**

Rugby School is located in Rugby, Warwickshire in the middle of England, with easy and quick connections to London and Birmingham. At the moment, the school is home to 800 boys and girls who live in 16 different boarding houses and are aged between 13 and 18.

The Modern Foreign Languages (MFL) Department, language assistants are a part of, offers multiple languages, with French, Spanish and German being the most popular ones. The main task of the German Language Assistant is to provide one-on-one conversation classes to the Upper School German students to help them improve their speaking and listening skills, but also to prepare them for exams and the like. Additionally, you will support the other German teachers in their classes in different ways; for example, preparing short presentations or giving insights into specific Germany-related topics.

Furthermore, you will be able to participate in different events and extracurricular activities (sports, societies or clubs) and you will be assigned to one of the boarding houses, take on responsibilities and go on trips with the students of your house (house-outings to Rugby matches are quite popular for example).
