**INDONESIAN STUDENTS ASSOCIATION IN GERMANY**

**Number: 273/IX/KET/SPM-PPIJ/202122/18052022**

**Subject: Invitation Letter to participate in Southeast Asian Student Summit 2022, International Student Conference in Frankfurt, Germany on 4 June 2022**

To whom it may concern,

It is our pleasure to invite you to participate in **Southeast Asian (SEA) Student Summit 2022, International Student Conference in Frankfurt, Germany on 4 June 2022**. The conference will be held at SAALBAU Griesheim - Schwarzerlenweg 57, 65933 Frankfurt am Main.

The **SEA Student Summit: ASEAN Can Do More** is an event that aims to strengthen the relationship between Southeast Asian youths in Germany, also to connect Southeast Asian students with other international students in Germany. With initiatives to increase the youth's appreciation for ASEAN's values and to raise awareness regarding ASEAN countries in general, PPI Jerman would like to invite students in Germany to analyze and discuss together the values that we share as one community. A community that shares many similar backgrounds, as well as to explore and discover the potentials that we have as the future of the community.

The event will consist of **seminars** about ASEAN in the Future and ASEAN in the Eyes of EU, **workshops** discussing about Sustainable Development Goals topics in Southeast Asian countries, and **culinary and cultural festivals** that will be held in parallel. This event is supported by the Europa Union Frankfurt, Embassy of the Republic of Indonesia for the Federal Republic of Germany in Berlin, and Consulate General of the Republic of Indonesia in Frankfurt.

The details of the conference and the rundown will be attached to the e-mail. We hope you will be able to send delegates or representatives to participate in this conference. If you have any queries, please contact us through
